

Mann & Vincent are Eclipse Ambassadors

By Kevin Greer
Lakeside Communications Manager

The countdown to the April 8 Total Solar Eclipse is well underway, and Lakeside is one of several prime locations in Northeast Ohio to view the rare event in totality.

Karyn Torigoe, Senior Manager of STEM Programs & Evaluation at the Great Lakes Science Center, has visited Lakeside many times and reached out to John Mann, Lakeside's Director of Education, about applying to be Eclipse Ambassadors. The program trains those selected in eclipse education, basic astronomy and eclipse viewing safety.

Each location is outfitted with equipment, including a telescope with a solar viewing filter, educational materials, solar viewing glasses and materials for activities. Lakeside, along with all selected participants, will receive a \$1,000 stipend for participation.

"I had visited Lakeside and thought it would make a prime viewing location and can reach audiences that the Science Center does not typically receive," Torigoe said. "After reviewing over twice as many applications that were needed, we were pleased to be able to name Lakeside as one of our 30 Eclipse Ambassador locations. We're so excited to see the plans that Lakeside has to host activities and special events throughout the entire weekend of the eclipse and can't wait to see the excitement and engagement it brings."

Mann added, "We had been kicking around the idea of having some programming for the eclipse. I remember coming away from the meeting with Karyn going, 'Oh, my goodness. I hope we're prepared enough for the potential number of people that will be coming to the area.' The idea that the Science Center was looking to more rural areas to get materials and training out to different communities was pretty neat."

According to NASA's website: "A Total Solar Eclipse happens when the Moon passes between the Sun and Earth, completely blocking the face of the Sun. People located in the center of the Moon's shadow when it hits Earth will experience

a Total Eclipse. The sky will darken, as if it were dawn or dusk. Weather permitting, people in the path of a Total Solar Eclipse can see the Sun's corona, or outer atmosphere, which is usually obscured by the bright face of the Sun."

Northeast Ohio is in the direct path of the eclipse. Partial eclipse can be seen in Lakeside from 1:58-4:27 p.m., with maximum totality at 3:12 p.m.

Mann and Education Assistant Candace Vincent are Lakeside's Eclipse Ambassadors. Due to scheduling conflicts, they couldn't attend the same three-hour course, led by Torigoe and an assistant who is retired from NASA. Vincent went to the

Lorain County Fairgrounds in December and Mann attended a January session at Medina Town Hall. Mann and Vincent completed training by passing a quiz.

"The curriculum was the same," Vincent said. "But we got to do different experiences."

The information Mann and Vincent learned during training will be useful when they host the Eclipse Learning Corner during Lakeside's Eclipse Weekend Celebration in the Fountain Inn Aigler Room. Eclipse and why it is so special. The sessions take place Friday from 6-9 p.m. and Saturday and Monday from 10 a.m.-noon.

Mann and Vincent learned that the corridor is roughly 100 miles wide. When the area is in totality, it will be as dark as an hour past sunset. On the other sides of that corridor, it'll be light. During totality, you don't need to wear eclipse glasses. Before and after totality, you'll need to wear them.

"As we look at 360 degrees around us in Lakeside, it will look like a 360-degree sunrise," Mann said. "Outside the corridor, it's still sunny."

Helpful hints for the solar eclipse in Lakeside

The Total Solar Eclipse is approaching fast. To help prepare for your trip to Lakeside for this highly anticipated event, here is our list of travel and safety tips.

1. PLAN YOUR MEALS AND SUPPORT LOCAL EATERIES

Lakeside businesses have made special arrangements to be open for this celestial event. Stop in to support Lakeside's restaurants. Plan accordingly for long lines at dinner time.

- Ooh La La — Open 11 a.m.-4 p.m. Saturday, 8 a.m.-2 p.m. Sunday, 8 a.m.-2 p.m. Monday, and 8 a.m.-noon Tuesday (breakfast only).

- The Patio Restaurant — Will serve donuts and coffee through its carry-out window 7-11:30 a.m. Saturday and Sunday and 7 a.m.-3 p.m. Monday.

- Lakeside Coffee & Cream — Open 8 a.m.-3 p.m. Saturday and Sunday and 8 a.m.-4 p.m. Monday with limited items, including eclipse drinks.

- SmoothieSide — Open 11 a.m.-6 p.m. Friday-Monday (later if necessary).

- Port Clinton Rotary Club Perch Truck — Will be located at the corner of Walnut Plaza and Third Street and open 11:30 a.m.-2 p.m. and 4-6:30 p.m. Saturday and Sunday and 11:30 a.m.-2 p.m. Monday. Menu also includes bratwurst and hot dogs.

- Lakeside United Methodist Church — Open for lunch noon-3 p.m. Sunday, featuring soups and bratwurst sandwiches. Free coffee, tea and water will also be offered.

- Bassett's Market (3994 E Harbor Rd, Port Clinton) — Pre-order catering and party trays or shop for groceries. Visit the store, call 419-734-6506 or log on to bassettsmarket.com to pre-order.

2. PACK YOUR WALKING SHOES OR RENT A GOLF CART OR BIKE

Shuttles will NOT be offered during the Total Solar Eclipse weekend, so plan to walk

Lakeside is planning a weekend full of activities to celebrate the Total Solar Eclipse.

or bike the Lakeside grounds. Sypher's Cycles & Rental Center rents bikes and golf carts, weather permitting. Sypher's is open noon-6 p.m. Friday-Saturday and 10 a.m.-6 p.m. Monday. Call 419-798-4124. Please obey all traffic signs.

3. PRE-REGISTER FOR SPECIAL EVENTS

Two activities for the weekend require pre-registration, an Out-of-this-World Puzzle Competition and Fused Glass Art Class, both on Saturday, April 6. For the puzzle competition, 20 teams of up to four people will have 120 minutes to complete a 500-piece puzzle. The cost is \$40/team. For the art class, create a beautiful, lasting souvenir of the Total Solar Eclipse. The cost is \$47/person (ages 14+). Register at lakesideohio.com/registration.

4. BRING CASH

Restaurants like Ooh La La and The Patio Restaurant don't accept credit cards, so having cash in your wallet will be helpful. Lakeside is also asking for cash donations for the movies being shown in Orchestra

Hall over the weekend. There's a Huntington Bank ATM located in the Fountain Inn (225 Maple Ave.).

5. HAVE A QUESTION? VISIT A LAKESIDE HOSPITALITY STATION

Lakeside has designated the South Gate, Fifth Street Gate, Lakeside Chautauqua Administration Office and the Fountain Inn front desk as Hospitality Stations. At these locations, pick up a schedule of events, a pair of eclipse safety glasses (first-come, first-served) and have your questions answered. Glasses will be available starting on Friday, April 5.

- The South Gate and Fifth Street Gate will be manned with Lakeside Ambassadors from 10 a.m.-4 p.m. Saturday and Sunday and 10 a.m.-2 p.m. Monday.

- The Lakeside Chautauqua Administration Office is open from 8 a.m.-4 p.m. Friday, 10 a.m.-noon and 12:30-4 p.m. Saturday, and 8 a.m.-2 p.m. Monday.

- The Fountain Inn front desk is to welcome hotel guests and distribute Scavenger Hunt clues and a prize.

Safety First

- For safety reasons it has always been Lakeside's policy to close the dock in adverse weather conditions. Based on communications with our insurance adjusters we have concluded that the eclipse will constitute an adverse weather/safety condition and we are therefore planning to close it past the beach area. Viewing from the dock is not recommended and will be at your own risk.
- Only pedestrians, bikes and golf carts will be permitted in Pavilion Circle.
- Don't leave blankets and chairs unattended on the Dock throughout the weekend. Safety Services will be monitoring the Dock and Bettinger Park.
- Maps are available at many Lakeside locations to help guide you throughout the community.

6. PICK UP YOUR GLASSES WHEN YOU ARRIVE STARTING FRIDAY

In order to see the eclipse before and after totality, you'll need special safety glasses to protect your eyes. In addition to the South Gate and Fifth Street Gate, you can pick up a pair at the Fountain Inn front desk, Lakeside Chautauqua Administration Office or during one of the Eclipse Learning Corners (6-9 p.m. Friday and 10 a.m.-noon Saturday and Monday) in the Fountain Inn Aigler Room (first-come, first-served). Please take only one pair of glasses as supplies are limited.

7. WHERE TO VIEW THE ECLIPSE?

The Total Solar Eclipse can be viewed starting at 3:12 p.m. Monday, April 8 for See HINTS, Page 2

Eclipse Weekend Schedule

Friday, April 5

• All Day Scavenger Hunt — Lakeside Grounds

Kids and adults alike can explore the Lakeside grounds as you participate in a self-directed space-themed Scavenger Hunt. Pick up a list of clues from the Fountain Inn front desk (225 Maple Ave.). Once you check off all the items, return your completed scavenger hunt form back to the Fountain Inn front desk for a prize.

• All Day Storybook Trail — Cherry Park

The Storybook Trail welcomes children and families to read, learn and enjoy the outdoors together. The featured book for April is *Goodnight Moon* by Margaret Wise Brown. To bring the book to life, 20 reading stations are spread across Cherry Park, each containing a page from the children's book. The path weaves clockwise for a whimsical adventure.

• All Day Shopping & Dining — Business District

Select businesses will be open and offering specials all weekend long. Eclipse-themed snacks will also be available in the Fountain Inn. See Lakeside business hours on Page 3.

• 6-9 p.m. Family Game Night — Fountain Inn Aigler Room

Join Adam Gannon, electronics engineer at NASA Glenn Research Center in Cleveland. From robotic platforms to human exploration, all space missions require reliable communications. Radio waves from NASA missions crisscross our solar system every day, but how do these signals actually communicate information? This talk will teach how space communications works by exploring major developments in the over 60-year history of the field. Finally, Gannon will showcase the research and development underway right here in Northern Ohio toward communications infrastructure to enable the next generation of space exploration.

• 1-3 p.m. Art Class: Fused Glass Sun & Moon — Train Station

Create a beautiful, lasting souvenir of the Total Solar Eclipse. Made from fused glass, your design can be made with "frit" or with small mosaic glass pieces. Once fired, the 8-inch circular panel fits easily in the sturdy metal frame. Fired pieces will be ready for pickup on Monday, April 8. Space is limited. The cost is \$47/person (ages 14+). Pre-registration required at lakesideohio.com/registration.

• 2-4 p.m. Out-of-this-World Puzzle Competition — Wesley Lodge

Celebrate the Total Solar Eclipse by being the fastest puzzlers in Lakeside. For this competition, 20 teams of up to four people will have 120 minutes to complete a 500-piece puzzle. The first to finish wins and prizes will be awarded. The cost is \$40/team. Space is limited to 20 teams, so register early. Pre-registration required at lakesideohio.com/registration. One registration per team. Rules are on the registration page.

• 2-8 p.m. Family Game Night — Fountain Inn Aigler Room

See description in April 5 schedule.

• 3:30 p.m. Documentary: "Totality: The American Eclipse" — Orchestra Hall

This 2017 documentary explores why a total solar eclipse has such a profound influence on those who witness it. It's not just about the rare occurrence of the sun, the moon, and the Earth being in perfect alignment; it's about coming to terms with this mesmerizing phenomenon. (NR, 1h 3m).

• 4-6 p.m. Art Class: Rock Painting — Train Station

Paint a rock to commemorate this once-in-a-lifetime eclipse at Lakeside (or paint any subject you wish). The cost is \$1 for each rock up to 4 inches. Please bring your own rock. Note: Smoother rocks are easier to paint. All ages are welcome. Children under age 7 must be accompanied and aided by an adult. Pre-registration is not required.

• 6 p.m. Trivia Night — Orchestra Hall

Gather family and friends and rack your brain with fun facts. Compete for prizes and bragging rights.

• 7:30 p.m. Movie: "A Connecticut Yankee in King Arthur's Court" — Orchestra Hall

This 1949 film stars Bing Crosby, Rhonda Fleming and Cedric Hardwicke. A bump on the head sends Hank Martin to Arthurian Britain in 528 A.D., where he is befriended by Sir Sagramore le Desirous and gains power by knowing about an impending eclipse. He and Alisande, the King's niece, fall in love at first sight, which draws unwelcome attention from her fiancée, Sir Lancelot; but worse trouble befalls when Hank meddles in the kingdom's politics. Donations are appreciated for admission. (NR, 1h 46m).

approximately four minutes. Some street lights and lights across the grounds may be on due to safety. Suggested viewing areas with minimal trees are:

- Dock (space permitting, pets are not permitted)
- Bettinger Park
- Chautauqua Park/Memorial Garden
- Williams Tennis Campus
- Various streets and parks across the grounds

8. HELP KEEP LAKESIDE A SAFE PLACE

To ensure everyone can safely enjoy their stay, we invite you to share the following safety tips with a new friend or young Lakesider:

- Some areas around Lakeside are for pedestrians only, for example, the Dock, Walnut Plaza, the lakefront path and Bettinger Park. NO bikes, skateboards, scooters, skates, golf carts or cars are allowed. The only wheels permitted are wheelchairs, baby strollers and kids' wagons. NO pets on the Dock.
- Fire lanes will not be marked, so pay attention to fire hydrants and ask a Lakeside Team member if you're not sure that you're parked legally.
- The speed limit in Lakeside is 15 mph. ALL forms of transportation, including bikes, skateboards, skates, scooters, golf carts and cars must obey stop signs and one-way street signs.
- Only licensed drivers may drive golf carts. One safety belt per person is required.
- It will be dark during totality, so be aware of your surroundings. Make

sure your bike has a light and wear bright clothing.

- Consumption of alcohol is permitted only within the lessee's property in Lakeside.
- Smoking of tobacco products and the use of alternative nicotine products is prohibited in Lakeside except within a structure on a lessee's property.
- In the event of a thunderstorm or tornado, shelters are located at the Fountain Inn, Orchestra Hall, Bettinger Park restrooms and Wesley Lodge.

9. HAVE AN EMERGENCY? KNOW THE SAFETY PROTOCOL

If you have an emergency during your stay, call 911. Lakeside Safety Services is also on call and can be reached at 419-635-6030. Local law enforcement is expected to be juggling a higher volume of calls during the eclipse weekend.

Emergency medical care and urgent care facilities are available at Magruder Hospital (615 Fulton St. in Port Clinton), a 15-minute drive west from Lakeside. Call 419-734-3131 for the hospital and 419-732-4017 for urgent care. Firelands Hospital (1111 Hayes Ave. in Sandusky) is a half-hour drive from Lakeside. Call 419-557-7400. FASTrack Urgent Care is available (135 W. Perry St. in Port Clinton); walk-ins are accepted and there's no facility fee. Call 419-732-7800. Urgent care is also available at NOMS Urgent Care (2500 W. Strub Rd. in Sandusky). Call 419-502-5932.

10. AVOID TRAFFIC AFTER TOTALITY

Thousands of visitors are expected to travel to the Marblehead Peninsula and the shores of Lake Erie to experience the eclipse. That means traffic is expected to be very heavy when totality concludes. Plan to stay in Lakeside and off the roads for a couple hours. Play shuffleboard, mini golf, pickleball, tennis, basketball, sand volleyball, cornhole or gaga ball or walk the lakefront path, weather permitting. Talented vocalist and guitarist Spencer Eller will provide music following the eclipse at the Steele Memorial Bandstand from 3:30-5 p.m.

11. FILL UP YOUR TANK OR CHARGE YOUR VEHICLE

After arriving to Lakeside, fill your car with gas, especially before Monday. Traffic will likely be heavy after the eclipse, so you don't want to be low on fuel. If you have an electric vehicle, make sure it's fully charged.

12. PREPARE FOR LIMITED PHONE AND INTERNET SERVICE

Due to the high volume of people in the area, this may cause disruption with internet and cellphone services.

13. PUBLIC RESTROOMS LOCATIONS

Not all of facilities will be open over the eclipse weekend. Public restrooms are located in:

- Wesley Lodge
- Wellness Center
- Fountain Inn lobby
- Bettinger Park near the shuffleboard courts
- Pavilion
- Orchestra Hall
- Train Station
- Memorial Garden (port-a-potty)

ECLIPSE

From Page 1

The weather is the main factor on the visibility of the eclipse. If it's cloudy, it will still get dark, but you won't be able to see it. If it's a sunny day, the view will be spectacular. If the weather doesn't cooperate, it can be viewed via NASA TV from 10 a.m.-4 p.m. in Orchestra Hall.

"If it's a clear sky when it gets dark, the stars will be very visible," Vincent said. "There'll be four planets that will be easy to spot."

Mann and Vincent also learned other things that will happen during the eclipse, including a temperature drop of roughly 10 degrees. Nighttime insects or animals will come out, while animals that are normally out during the day will go back to their nest or burrow.

Birds could get a little confused or upset and they might start chirping a lot. It's also possible that people, especially those with sensory issues, could get nervous. Also, the internet and cell phone towers will likely be bogged down, making communication difficult.

Areas like Columbus, Toledo and Detroit are not in the line of totality, so thousands of people will be making the short road trip to the region.

The Science Center strongly recommends a full day of programming for safety reasons. This is to help keep people from getting on the road at the same time like after a sporting event or concert. Several Lakeside venues will be open after totality, including pickleball, tennis, mini golf, shuffleboard, cornhole, businesses and restaurants. Mann contacted local Emergency Management Offices and Ottawa County anticipates a doubling of the population of the county and Erie County is expecting three times the amount.

"We're going to have a controlled environment and programming," Vincent said. "People can stay here at Lakeside, not on the road."

Lakeside is making the eclipse a full weekend event beginning Friday, rather than one day like most locations. Mann says it's a great opportunity to show new visitors what the community has to offer.

"I think there is a really a good opportunity to capitalize on all these individuals coming through our area," Mann said. "It's going to be a heck of an opportunity to see something that happens very infrequently. Get out of the house and come to Lakeside."

Eclipse Weekend Schedule

Sunday, April 7

• All Day Scavenger Hunt — Lakeside Grounds

Kids and adults alike can explore the Lakeside grounds as you participate in a self-directed space-themed Scavenger Hunt. Pick up a list of clues from the Fountain Inn front desk (225 Maple Ave.).
